

Dverview		
Product information		
0	Energy storage consection: 250 mm²,	<b>250-B-BK-00-28010000363</b> nnector, product range: ESS socket, color: black, wire cross rated voltage: 1500V, rated current: 400 A, connection r, contact type: hole type
Product advantages		
<ul> <li>Degson has its own patented des</li> <li>There are no safety locks</li> <li>There''s a free spin of 360°</li> <li>There''s no electric shock protect</li> <li>There''s no wrong insertion or shore the spin of the spin of the spin of the spin or shore the spin of the spin of</li></ul>	ion

Product drawing 3D model 0 Verview Insulation Materials Flame retardant grade, in line with color Electrical parameters UL	n UL 94	V0 black

O-ring material	Silicone
Contact material	Copper alloy
Electrical parameters	
Rated current	400A
Insulation resistance	>5000MΩ
Contact resistance	≤0.5mΩ
Technical specification	
IP class	IP67
Environmental data	
Ambient temperature (operation)	-40°C∼ +125°C

## Accessories
